1. Terms and Conditions

Award Conditions to the Financial Assistance Award Between the Denali Commission and Alaska Village Electric Cooperative For Alakanuk and Emmonak Power Plant and Bulk Fuel Upgrade Award No. 1425, Amendment 4 March 2017

All changes to the award conditions are noted below.

1. Funding Amount

The project is nearly complete and the only task remaining is the demolition of obsolete fuel storage tanks in Alakanuk. Not all of the remaining funds originally provided by the Denali Commission will be required. This amendment de-obligates \$830,000 of Commission funding.

There are no other changes to the original Financial Assistance Award, as amended.
